VOLUME XXIX

NEWBERG, OREGON, TUESDAY, FEBRUARY 19, 1918

NUMBER 7

A NEPHEW OF DAVID LLOYD-GEORGE COMING

"What America Means to Me", by an ex-British Subject

Dr. Arthur Walwyn Evans nephew of Lloyd-George the British Premier is to lecture in Wood-Mar hall Wednesday night February 27.

Dr. Evans' lecture "What America Means to Me", is one that has made a sensation wherever it has been given. Because of what the United States did mean to Dr. Evans he became a citizen of this country about six years ago.

His relationship and dealings with the great men of England who are the leaders in this present war enable him to speak with authority on questions that are discussed today.

His style of speaking shows that his heart is with his subject. In the handling of his lecture he injects enough wit to make it very amusing and in his opening remarks his rich humor soon wins a place in the attention of his audience.

Evans is very broad in his outlook on world questions and his fairness in point of view has been gained by his association with persons like Lords Kitchener and Roberts, General Booth, Gladstone, Queen Victoria and many others.

Dr. Arthur Walwyn Evans

FORMAL OPENING OF SECOND SEMESTER

New Plans for Pacific Unveiled by President Pennington

The formal opening of Pacific College occurred Monday, February 11, in Wood-Mar Hall. The program held a great deal of interest for all friends of the college, but for the students particularly. It was as follows:

Piano Solo—Mrs. Hull.
The Early Past—Mr. E. H. Woodward.

The Later Past—Mrs. E. H. Woodward.

The Present—Mrs. Evangeline Martin.

Vocal Solo—Dreamy Days, Ashford, An Anthem of the Sea—Edith Simmonds.

Prof. R. W. Lewis
The Future—President Pennington.

The speeches gave the audience a better idea of Pacific's history, a glimpse of her present, and the animated dream of her future.

Mr. Woodward told of how Pacific Academy was first conceived in a little meeting of Newberg

Continued on page 4

ORATORICAL TRYOUTS HELD ON JANUARY 28

Mary Pennington to Represent Pacific at State Contest

The interclass Oratorical Contest was held Jan. 28 in Wood-Mar Hall with six contestants representing the Junior, Sophomore and Freshman classes. Mary Pennington of the Freshman class was given first place. Her oration, "The Time to Strike" dealing with the Prohibition Problems was well written and delivered. Mary Pennington will represent Pacific College in the State Oratorical Contest at Salem March 8.

Olive Johnson '19 won second place her subject being "Our Present Friendly Task." The other contestants were Cecil Pearson '21 "The Last Great Drive," Harold Lee '21 "Education," Alfred Haworth '20 "The Smoke Nuisance," and Grace Benson '21 "The Conservation of Food."

Mr. A. C. Stanbrough superintendent of the city schools, Rev. Fred Carter and Prof. Shanbrough judged the contest.

SWISS ALPINE YODLERS GIVE FINE CONCERT

The Swiss Alpine Yodlers furnished the fourth number of the Lyceum Course last Thursday evening in Wood-Mar Hall. The program was unique throughout.

The first few numbers were in their native language but several were sung in English before the program was finished. One of the troupe explained the origin of the Swiss yodle songs. They are selections of the best of the mountain calls that have been used for centuries in the Alps. Swiss herders up in the mountains and separated by miles from each other can yet make these calls heard very distinctly in the clear atmosphere of the mountains. Each man and woman has his or her own call just as American boys have their own distinctive whistles to call their comrades. The Swiss songs consequently have not been composed by any great composer but are selections from these mountain calls.

The program consisted of solos, duets, quartets, and instrumental selections. The instruments used were the zither, lap violin, harp and guitar. The solos on the zither were especially appreciated as the zither is a very difficult instrument to play. The favorite selection was a yodle echo song in which the echoes were given as they sound in the mountains. The program was closed by a quartet selection, "America".

The company was made up of the following: Jean Wormser, Mrs. Jean Wormser, C. Winderle Alma Lohr and Jacob Hart, all native Swiss. These people, dressed in their native costumes made a very picturesque appearance.

By the decision of the Athletic Association the official letter for athletic awards has been changed from "Q" to "P". All alumni and former students who hold "Q's" and want to change them for "P's" are asked to send them to Henry Keeney, by March 16.

MID-WINTER RECITAL BY MUSIC STUDENTS

The first recital of the year was given Monday evening, January 28, at Wood-Mar Hall. A large audience showed that the people of Newberg are beginning to appreciate the high grade of music which the pupils of the music department offer.

The beginners as well as the more advanced students showed careful study and preparation and all the numbers were given in a very excellent manner.

Owing to the illness of Professor Hull there were no vocal numbers but the readings of Miss Ruth Hinshaw added a pleasing variation to the program.

The following program was given:

Duet (a) At the Convent.....Borrodin
(b) Humoresque.....Moszkouski
Miss Owen and Mrs. Hull.

(a) A Song without Words.....Spindler
(b) Summer.....Lichner
Cora Younger

(a) Melody.....Theodore Dutton

Continued on Page Two.

FIRST OFFICIAL "P'S" AWARDED TO VARSITY

The official letter awarded by the Athletic Association to men who qualify in athletic contests has at last been changed. At a meeting of the association the letter "Q" that has been given here for several years has been dropped and hereafter the official letter will be a "P."

The change was recommended by the Athletic Council after a careful consideration. Different friends of the college and students now holding "Q's" were consulted and all members of the alumni and former students among the letter men whose addresses were known were written to and but two of the answers were opposed to the change. There was some discussion in the association meeting before the amendment was adopted and a few were oppose to the change but on the final vote there was no opposition.

THOSE NEW PLANS

Some of the friends of the college have wondered why Pacific College has gone to so much trouble in having a set of plans made of which there is small assurance that they will be completed in any time soon. A bit visionary some are liable to say. Visionary no doubt but it is that ability of having a vision that has made Pacific what she is.

The same thing was said when the first meeting was held to discuss the proposition of establishing an academy. Many doubted when the college department was planned but with a will that would not be daunted those who had their hearts in the work went ahead and now with the new building and the endowment well past the hundred thousand mark Pacific is still pushing on toward the goal that has been set.

The plans are comprehensive enough to fill the needs of a college as large as Pacific needs to be. Beyond the 500 mark that personal contact between the right kind of instructors and every student cannot go. As these plans are followed there will be nothing done that will have to be changed or undone.

Pacific is becoming more and more a girls' Seminary. This is especially true this Semester with only 11 boys in College, and two of these are expecting to be called into some service before long. There are many student activities which have always been carried on by the men in school but if these are to continue the girls must step forward and take the men's places. We do not like to see any work dropped by lack of students to carry it on but if something isn't done soon some student activities must be stopped.

Professor Whittelsey, of Philomath College, visited classes at college Friday.

 Mildred Ferguson and Mrs. Hull

Y. W. C. A.

January 23 was the regular business meeting of the Y. W. C. A. The reports of the various committees were read and approved. The remaining time was spent in singing favorite hymns.

Mrs. Tobias of Beaverton spoke in Y. W. C. A. last Wednesday, on the value of Mission Study. She gave several reasons for the study of missions, some of them being—1, God's thought is a missionary thought; 2, It is broadening study; 3, Missions interpret the Bible; 4, It is the most conclusive proof of the claims of Christ; 5, There is an inspiration and thrill in the study of the biographies of missionaries; 6, it broadens our sympathy; 7, And concentration upon mission study is bound to bring results.

FIRST OFFICIAL "P'S" AWARDED TO VARSITY

Continued from page 1

this year's team were the first to receive letters under the new system and the first "P's" to be given went to them. Owing to the fact that several of the letter men are out of the school this semester the "P's" were not awarded in chapel but were given to the men privately. Those receiving letters were Frank Colcord '19 guard, Lester Wright '21 guard, Howard Elliott '20 forward, Harold Hinshaw '19 forward, and Lloyd Edwards '18 center. Edwards also was awarded a sweater having earned four letters and graduating this year.

CHAPEL NOTES

Prof. Lewis was the chapel speaker Jan. 24. He talked of the "Binen Laben" or the buried life of the individual. This inner life is the real person. To secure the best satisfaction out of life the inner life must be pure and clean. The failure to perform an act that should be done is sure to cause an uncomfortable feeling if the buried life of the individual is right.

Prof. Shambough spoke on the "Power to Choose". People here in this world have many opportunities of choice. They must learn to choose the eternal things. If just one choice was left for you to make what would it be? Christ said "I am come that they might have life." Humanity should learn to see things in their true proportions and the one choice should be eternal life.

The dangers and faults of plagiarism were given by President Pennington in a recent chapel talk. The ease of being guilty of plagiarism was shown along with the ease and danger of detection of wilful copying.

Mrs. Kenyon of McMinnville gave a report of the Student Volunteer Conference held recently in Northfield Mass. She was the representative from Oregon and brought back a very pleasing report. The conference was presided over by Dr. John R. Mott and was a place of high ideals and great resolves. Dr. Mott has just returned from the battlefields of Europe and was able to show with great force the call of the world to the student. This is a time in which the world is in a plastic state and can easily be moulded. It is up to the students to see that it is moulded in the best form possible.

Mrs. Pennington attended the joint Y. M. and Y. W. C. A. meeting which was held in the chapel last Wednesday.

For some unknown reason walking, hiking and strolling have become quite a fad at P. C. lately. The girls seem especially interested and start out at all hours of the day and some of the night.

The Treflan Literary Society expects to give a Longfellow program on Friday, March 20, at Wood-Mar Hall. Readings and tableaux taken from Mr. Longfellow's poems will be presented, and song of his writing will be sung. With the help of a few friends the girls hope to make the evening very much worth while to the public. The admission fee is twenty-five cents. The proceeds is to be given to Red Cross.

AMONG OURSELVES

Lestia Newlin spent the week end in Portland.

Mary Sanders left Newberg last Monday for her home in Canada.

Ruth Killen has moved into the Dorm. where she will be this semester.

Cecil Pearson went home last week as soon as he was thru with his examinations. He is not expected back for two weeks.

Pres. Pennington went to Baker Feb. 15 to address the eastern section of the Oregon Christian Endeavor Convention in which he had a prominent part.

Albert Boatwright of Portland, Harold Paulsen of Newberg and Pearl Moulds of Princeton Idaho entered the Academy this semester as first year preps.

The evangelist Ried and Troy had charge of the chapel exercises Friday Feb. 15. Mr. Troy sang a solo and Mr. Ried talked on Pilgrims' Progress.

Miss Olive Johnson gave her oration "Our Friendly Task" at the Friends church February 3. Her oration is one of most interest to Quakers especially and was much appreciated.

The members of the Faculty become very fond of each other twice a year. This week they have not been able to leave each other until 6 or 6:30 in the evening. Maybe they like the clashes as well as themselves.

Frank Colcord, Paul Elliott and Lester Wright all of whom were members of the Crescent staff are not in school this semester. They expect to start for France in a short time. They will go in the Reconstruction Unit of the Red Cross.

Lorena Keeney, Violet Fastaband, Lester Wright and Henry Keeney went up the Columbia Highway the third. They stopped in Portland a few minutes to see Mrs. Keeney who is in one of the hospitals recovering from a very delicate operation.

Lloyd Edwards, President of the student body and Editor of the Crescent, started for his home at Tillamook as soon as he was thru with his exams. Pluto finished his college course last semester and will not be back until Commencement when he will receive his degree.

The Sophs. had a "rook" party last Friday night in the Y. W. C. A. room. By putting three decks of cards together the whole class was able to play at one table. They said they had plenty of fun, hot chocolate and wafers. Where dignity was lacking Miss Johnson supplied it.

Earl Pinney and Tessie Meyers visited school Tuesday morning.

Virgil Hinshaw who is working in Portland visited school Feb. 18.

Pres. Pennington returned from Baker Monday where he had been attending the Christian Endeavor Convention.

Miss Helen Carmack of Rose-dale visited her cousins, Estelle Stroud and Hazel Bear, a few days between semesters.

Mr. and Mrs. Fred Grieve of Twin Falls, Idaho, the parents of Frank and Pearl Grieve, are in Newberg visiting. Mr. Grieve may go home soon but Mrs. Grieve is expected to stay until spring.

The Y. W. C. A. were more than successful in the Bible study campaign. They promised 66% per cent and got 69 per cent of the girls in the study classes. There will be four classes besides a normal class. The book which is to be studied is "An African Trail" by McKenzie.

Feb. 2 Henry Keeney went to Salem to help complete the final arrangements for the State Oratorical Contest to be held there March 8. The representatives from the various schools met to pick the judges and arrange for the financial business of the Oratorical Ass'n.

In the student body meeting held Tuesday Feb. 19, Harold Hinshaw '19 was elected Pres., Ralph Knight '20 Vice-Pres. This election was necessary because of the leaving school of Lloyd Edwards Pres., who finished his course the first Semester and Frank Colcord V.-Pres., who soon leaves for France.

Friday Jan. 25 Pacific defeated McMinnville College 22 to 18 in a rough but interesting game. The team work on both sides was very poor, neither side being able to pass. In the return game played Feb. 1 at McMinnville, the Baptists won 30 to 20 thus tying the Quakers for the championship of the League. The game was slow and very rough. Pacific was unable to find the basket to any advantage. Prof. Botsford of Reed College refereed both games.

Saturday evening, January 26, the Academy basket ball team journeyed to Fernwood and clashed with the second team of that place. A very exciting game ensued and but few fouls were called. Baron starred for the Academy, securing four field goals, while Adolph starred for Fernwood. Fernwood was able to secure the large end of the 30 to 18 score. Belvin Vincent refereed the game. Several of the Academy boys went with the team as "supporters."

Did you see the plans for the "Future Pacific?" They are great.

Wanted—For Delight Carter, a safety razor! Haste makes waste.

Earl Pinney left Newberg Tuesday for O. A. C. where he will enter school again.

Mrs. Ora H. A. Bear of Turner spent a couple of days in Newberg recently visiting her daughter Hazel, and other friends.

The students of Pacific College attended the Ried and Troy services held in the Friends church in a body Feb. 19. These meetings have been of much interest to the students and have been largely attended.

Friday of exam. week was a fine day for plain fun, since everyone was thru with their exams. and no one of course had gotten their grades. Helen Mendenhall, Esther Terrell, Margaret Hodson, Mildred Benson, Pearl Grieve, Miss Sutton, Grace Benson, Cassius Carter, Ralph Knight, and Frank Grieve all decided to walk. They hiked to Lover's Lane where after a short rest they ate to their heart's content and then started for home.

TREFIAN LITERARY SOCIETY ELECT NEW OFFICERS

The Trefian held their last meeting of the semester January 30. The following new officers were elected:

President—Mildred Ferguson.
Vice-President—Mary Pennington.

Secretary—Margaret Hodson.
Treasurer—Elizabeth Anderson.

Critic—Miss Wright.
Marshal—Clara Calkins.
Reporter—Hazel Bear.
Faculty Advisor—Miss Johnson.

Current events was the theme of the program. Miss Wright gave some international news in a nutshell. Mildred Ferguson rendered a piano solo in her usual pleasing manner. Much information was imparted to the society by means of a paper on P. C. people and P. C. happenings written by Mary Pennington and Helen Scott. An interesting summary of state and local events by Mary Elliott closed the program.

FORMAL OPENING OF SECOND SEMESTER

Continued from Page One.

citizens one Sunday afternoon in the year 1885. How much this academy was needed was better understood when Mr. Woodward added that the only high school in Oregon was in Portland. He went on to give a hasty review of the progress the academy made, and how it finally became Pacific College.

Mrs. Woodward next told of the birth and growth of the idea of a new building for the little college. She related incidents full of enthusiasm and pathos with regard to the preparations for the \$30,000 building planned. After six months of almost daily solicitation she and Mrs. Martin, duly aided by Mr. Martin's open buggy and trusty horse, Kit, had finished the campaign. On July 4, 1910, they celebrated their triumph. Consequently we have Wood-Mar Hall, which was very appropriately named for the two ladies.

Mrs. Martin, in some very clever verses she had composed for the occasion told something of the present student body the spirit that pervades it and determines its character and motive force.

The future of our college was presented by President Pennington. He unveiled and explained some pictures illustrating the campus when "Pacific has a student body of 500 and a faculty of 50." When all is completed there will be thirteen conveniently arranged new buildings as well as a new athletic field.

At the close of the program President Pennington presented to Mr. and Mrs. Woodward and Mrs. Martin tickets granted by the student body that will admit them to all student body affairs open to the public, for all time to come. This is the student body's attempt to say "Thank you." for the services they have rendered, and are rendering, to this college.

The enrollment of the Commercial department is much increased this semester. It looks as though some new machines will have to be installed.

The Trefian program, February 13, was entirely extemporaneous. The piano solo by Pauline Terrell was quickly responded to as was also the oration on cats by Olive Johnson. A glimpse of cheap-side was given in the reading by Ruth Killen. After a stunt by Harriet Hodgkin and Hazel Bear, Christine Hollingsworth was called upon for a story and as usual she had a good one ready.

OH, WHAT A DIFFERENCE

there is in ice creams! In some you hardly know what the flavor is—the grain is coarse, there is nothing that suggests richness about it. Not so with ours—in flavor it is delicious, in grain the finest. In brick work the flavors are superbly blended into a delicious ice. Insist upon ours.
