PACIFIC VICTORY FEATURES REUNION

Give Program in Chapel—Alumni Renew Old Friendships

For the first time in several years the Varsity took the scalp of the Old Students and hung it up to dry. Just as in the town game, the college got the jump and from then on kept the fathers on the jump. The most cheerful aspect of the game was the team plays worked by the Varsity and the speed with which they broke and passed. Another nice thing about the game was that there were no particular stars but the team played as a whole and everyone was in the game every minute.

As to point, Cole and Sweet again tied and were high point men. Haworth trailed but a few points and Harle was also close behind. For the Old Students, Terrell and Harrington were outstanding.

The game was rather rough because of the Old Students style of play but everyone seemed to have a good time and the score was very satisfactory from the College point of view.

REV. CLARKE SPEAKS TO THE Y. M. C. A. ON PRAYER

Rev. Clarke spoke to the Y. M. C. A. Jan. 9, on the vital topic of prayer. He read these words from the 141st Psalm: "Let my prayer be set forth before thee as incense; and the lifting up of my hands as the evening sacrifice."

Mr. Clarke began by saying, "Prayer is the greatest unused force in the world today." The world is mad over the harnessing of old and the discovering of new powers of physical forces; such as wind, electricity, steam, etc. Prayer accomplishes greater things today than anyone realizes. It has tremendous force. Prayer has laws that govern it as there are laws to govern electricity, radio, etc." He stated that he had become extremely interested in the reading of history and then went on to say, "God in heaven has determined destinies of men and nations, and all crises are the result of prayer. Luther says, 'Nothing vital has happened in the world except by prayer'."

The truth of Dr. Clarke's message was felt more deeply when he gave three examples of history, one taking place in Everett while he was pastor in that city, showing how God marvelously answered prayer in different crises of our nation.

HOME OF VERA BAUMAN SCENE OF LIVELY PARTY

The home of Vera Bauman was the scene of an enjoyable gathering on Wednesday evening, Dec. 26, 1928. Games, a Coon-Jigger and the radio were the amusements of the evening, after which refreshments were served. Those present were: Mary Sue Binford, LaVerne Hutchens, Lillian Barnes, Della Hanville, Lois Rice, Winifred Woodward, Vera Bauman, Ralph Moore, Dennis McGuire, Errett Hummel, Marian DeVine, Burton Frost, Harold Smith, and Elmore Jackson.

CHRISTMAS PLAY GIVEN IN STUDENT PROGRAM

The Student Chapel program on December 20 was in the form of a play, "Christmas Chimes," a very fitting presentation for the season. It was a one-act play with its setting in the home of Gladys and Joe Terrell (played by Dorothea Nordyke and William Wood) on the day before Christmas. The curtains disclosed the room in the confusion of Christmas decorating, and Joe suddenly remembered a letter which had come for Gladys several days before and which he had forgotten. The reading of this threw a wet blanket over everything for Dolly Wakelee, an invited Christmas guest, wrote to tell that her engagement to Ted Owen had been broken and that when she arrived she wished not to be questioned about the affair. However, Ted Owen had also been invited as a guest and before anything could be done; so the Terrills spent a merry time keeping the guests from meeting. But they did meet and all the foolish trouble which had occurred over poor old Blitzen, Ted's dog, seemed minute in view of sacrificing their life of happiness together. When this all happened it left Gladys and Joe perfectly stranded with surprise, for it almost caused a chasm in their own marital happiness at first. The parts of Dolly Wakelee and Ted Owen were taken by Florence Elliott and Lincoln Wirt.

"THE OLD YEAR OUT, AND THE NEW YEAR IN"

On the night of New Years Eve Bernice Carlisle entertained a group of friends at her home in Springbrook. The evening's fun started off with a bang when the guests were told to see how many 1929's they could find in the room. Small pieces of paper with these numerals written on them were found in every imaginable place. When the time ended the three winners, Velda Livingston, Sanford Brown, and Ben Huntington were penalized by having to make candy for the group.

Lively games of "Flags," "Animal," and "fortune telling" were played until the mid-night hour, when bells, horns and "boomings" announced the arrival of the New Year. After hearty New Years greetings delicious refreshments were served. Everyone thought the evening a fitting conclusion of the old year and a good beginning of the new year.

Those present were: Daisy and Bernice Newhouse, Edith Whitlock, Velda Livingston, Blanche Carlisle, Sanford Brown, William Sweet, Ben Huntington, Doyle Green, Bob Whitlock, and hostess, Bernice Carlisle.

A JOINT Y. M. AND Y. W. CHRISTMAS PROGRAM HELD

A joint Christmas program was enjoyed by Y. M. and Y. W. Wednesday morning preceding Christmas. The program consisted of responsive readings led by the two association presidents and of Christmas music. In addition to congregational singing there were several special numbers by a mixed chorus under the leadership of Esther Mueller. "The Holy City" was sung by R. W. Lewis. The program was very fitting to the Christmas season.

CONGRATULATIONS IN ORDER FOR EVERESTS

"Twas the day after Christmas and all through the church," So might run a modern parody on the old poem, for it was the day after Christmas and the Presbyterian church was very quiet until softly the strains of "I Love You Truly" were heard, followed by the Lohengrin wedding march. So began the ceremony in which Miss Helen Evans became the wife of Mr. Elden Everest. The wedding came as rather a suspected surprise. Suspected because—well, just because. Surprise because—well, because that is Dick.

The ceremony was performed by Rev. Lee of the Presbyterian church, before a beautiful green bower. Miss Wilma Evans, sister of the bride, acted as bridesmaid, and Mr. Ernet Everest, brother of the groom, was best man.

After receiving the congratulations of the many friends present a delightful reception was held in honor of the newlyweds at the home of the bride.

Both of these young people are well known by most of the student body, Mrs. Everest long being a friend of the school and a frequent visitor, while Mr. Everest is a graduate of the Academy and at present a junior in college.

The sincere best wishes of the student body and hearty congratulations of the Crescent staff go with this young couple in their new and happy venture.

"KEMPY" IS ATTENDED BY COLLEGE STUDENTS

Thursday and Friday nights the students and faculty members availed themselves of the opportunity of seeing "Kempy," which was presented at the Central School Auditorium by the N. H. S. Dramatic Club. The writer feels that such a production should not pass without some student comment from the columns of the Crescent.

"Kempy" is a super-production and was more than creditably presented under the direction of Mr. Gerald Wood. We feel that more than passing comment should be made of "Dad" Bence, the part taken by Gordon DeVine, and of "Kempy" James, taken by Philip Wach, the two real character parts of the play. The part of "Dad" took most careful and consistent work, and was handled in a manner as to make it the most outstanding feature of the production. The entire situation was comic, arising from a "busted water pipe in the kitchen" and from the unexpected arrival of "Duke" Merrill (Jerold Parks).

Other parts cast were: Ruth Bence, Vera Parks; "Ma" Bence, Lillie Parrish; Katherine Bence, Carolyn Hodson; Jane Wade, Carol Stephens, and Ben Wade, Jack Bryant, all of whom carried their parts in a most commendable manner.

SANTA CLAUS OR CUPID

'Twas the night after Christmas when all through the town—there was keen excitement. It was excitement caused by the appearance of five new headlights. The coming of these new "sparklers" at this time of the year had a tendency to stir up folks. Any automobile owner knows that at the first of the year he must buy a license

(Continued on page two)

PACIFIC LOSES FIRST GAME TO NORMAL BOYS

Varsity Shows Up Well in First Varsity Game of Season

Pacific lost her first game of the season as well as the first conference game to Monmouth Normal on the Normal floor, Friday afternoon, Jan. 11. After a great deal of telephone conversation between the coaches and visiting most of the gyms in the neighborhood of the Normal city the squad finally landed on the Monmouth H. S. Gym floor and there met their defeat.

The game was fast and furious from the first whistle to the last and anyone who did not see the game missed a real one. The first half was much the better part of the game and the score when the half whistle blew was, Monmouth 22, Pacific 19.

The big fault with the second half was the slow breaking of the team and slow passes. The final score of 41-32 does not tell all about the game. Monmouth scored only 17 goals to Pacific's 15 but converted 7 fouls out of 12 shots while the Varsity only counted 2 out of fourteen tries.

Monmouth has got a good heady bunch of players and all of them have had a lot of experience from the way they handle the ball. Except for the one criticism already made, the College squad played a good, clean, hard fought game of ball. Cole was high point man with 17 points. Haworth was in every play and showed the ability of being right where he was needed right when he was needed. Harle was busy guarding his man and his success was shown in that his man made only one basket. Sweet played a good floor game and followed the hardest man on the floor as well as chalking up a few points of his own. Everest played a good floor game and scored some pretty shots. But what is better was that the team was a team and put the fight into the game, that should make us all proud of them.

The lineup:

Oregon Normal (41)	(32) Pacific
Young (9)..... F(17) Cole
Watkins (4)..... F(3) Sweet
Shrunk (2)..... C(4) Harle
Ayers (7)..... G(4) Haworth
Swartz (17)..... G(4) Everest

Substitutions: For Pacific—Bissett; for Monmouth—Finley, Tnehan, Chapman, West (2).

A NEW YEARS PARTY

The first party among the college set to be given this year was at the home of Ben Huntington on New Years night. The evening was spent in playing rook. After many enjoyable games of rook, delicious refreshments of cake and fruit salad were served. Those present were: Bernice Carlisle, Sanford Brown; Velda Livingston, William Sweet; Rosa Abischer, Ralph Hester; Arloene Davey, Philip Gatch; Meredith Davey, Dick Haworth; Elizabeth Carey, Joseph Silver; Edna Wright, Fred Crozier; Lois Rice, and host Ben Huntington.

DEBATE!

With the holiday season over and basketball season going strong, there comes to the minds of some of the students another form of intercollegiate activity; that of debate. We are proud of our basketball teams and the work they are doing. Is there any reason why we should not have two or three debate teams of which to be justly proud? Basketball trains one to use his body well and to cooperate with his team mates. Debate trains one to think quickly and to be at ease when speaking before an audience.

Pacific College has had some very good debate teams in the past few years, and, although there were no teams last year, we believe there should be several teams this year. The debate season has started already in several colleges and the teams are working on the popular questions. The Forensics manager has already received a letter asking for debates with Pacific. Are we going to accept that invitation and send out some good men's and women's teams? Let's get busy right away and see what we can do about it!

It must also be remembered that in March and April there will be oratorical contests among the colleges of Oregon. We want representatives to the "Old Line" and "Peace" and "Ex-temporaneous" contests again this year. Then there will be the "Old Pulpit" extemporaneous contest which is open to all college students.

In order to have representatives to all of these contests there must be several students take part.

Let's have a big turnout for these intercollegiate contests!
R. E. C.

Y. W. C. A.

January 9

Dr. George H. Lee, pastor of the Presbyterian church, spoke in Y. W., January 9. His message was on the place of prayer in our lives.

Dr. Lee spoke first of the marvelous inventions of our day, which tell what a wonderful God there is who helps in the accomplishment of such wonders. Even as the early settlers who made the trip from Portland to Seattle in about four weeks would deny the possibility of ever making the trip in an hour and a half, so the man who has not had experience in prayer would deny its value.

Great theologians have written on the forty points of prayer. These points are all good and their study is very worth while, but they are not necessary

to prayer. As the baby needs to cry out only once to call its parent to its side, so one call to the Heavenly Father tell him our wants.

Dr. Lee stated that he would rather promote Christian prayer than anything else. He gave four objectives to seek in our prayer life:

1. Power of interpretation of life.
2. Continuing spirit of prayer.
3. Full Christian growth.
4. Intelligent and courageous witness as Christians.

A fitting part of the service was the song, "In the Garden," sung by Marjorie Lewis and Esther Russell.

Thanksgiving Rooster

There was an old woman from Wooster,
And she had a Thanksgiving Rooster;
She chopped off his head
Until he was dead,
And now he don't crow like he yooster.

SANTA CLAUS OR CUPID

(Continued from page one)

if he is to be eligible to drive his car. The next thing he has the headlights examined so that he can have the proper amount of "light on the subject," and not get pinched as he drives down the street.

The givers of the five new glittering headlights reversed the old order. They got the "sparklers" first (probably so that it would give them some light and they would have a chance to see what they were getting), and now all they will have to do is to get the license.

There has been student comment on the campus to the effect that "the roof of the jeweler shop must have caved in," and "all of those fellows surely made good use of the pre-Christmas sales." Whether or not there is any truth in these remarks we can not say, but we do know that five Pacific girls and friends came out with diamonds during Christmas vacation. These girls are Olive Kendall, Claire Winona Smith, and Katherine Pettengill, old students; Rachel Lundquist and Gwen Hanson, seniors of the present student body.

Because in cases like this the men are seldom mentioned and because we all know that they are essential, the names of the boys will be given in the order of the girls. They are: Homer Hester, Glen Brown, Alden Sanders, Robert Smith, and Arthur Winters.

In view of the fact that this issue of the Crescent is limited to four pages, the Academy Mentor will not take up the usual space of one page. For this reason, also, some of the articles may have been shortened.

ATHENA LITERARY SOCIETY HOLDS CHRISTMAS MEETING

The Athena Literary Society of the Academy held a regular meeting and the annual Christmas program in the dormitory parlors, Wednesday, Dec. 19.

After a short business meeting the program was begun by the group singing several Christmas carols led by Arloene Davey, with Mary Sue Binford accompanying at the piano. Then Mrs. Mather gave a very interesting talk on how Christmas is observed in the Philippine Islands—both in the northern and southern islands. Mrs. Schmidt then told about Christmas and New Years in Germany. It was interesting to note that Christmas in Germany is more similar to our observance of it than in the Philippines due to climatic conditions, etc. Among many interesting things Mrs. Schmidt told how New Years is observed by many in Germany by jumping from chairs into the new year. LaVerne Hutchens read a Christmas poem "Comes to Notre Dame." The program was concluded by the group singing "Silent Night."

Miracles will never cease! Ask anyone in the Academy Physics class and if this article doesn't convince you, maybe they can. The class has been studying about ice and it was suggested that they make ice cream as an experiment in the laboratory. It was generally known Wednesday (lab. day) that a freezer and ice were arranged for and the general opinion and hope was that they would make ice cream. Hope failed when the can was filled with water and everyone thought that water was being frozen. Near the end of the period the cover was removed and lo and behold! it was full of pink ice cream. Mr. Mather furnished dishes and spoons, and big helpings of ice cream were greatly enjoyed by all. Fifteen rousing cheers for Mr. Mather were given, and everyone went around telling about the great surprise.

ACADEMY LOSES PRACTICE GAMES

Pacific Academy was defeated in a practice game with Chehalem Center, in the P. C. gym, Dec. 27, 1928. The score was, Chehalem Center 19, P. A. 15.

Hampered somewhat by the absence of one of their forwards, McKibben, the Academy boys did not show a working combination until the second half, which was entirely Pacific's.

The regular Academy lineup, except D. McKibben, played the entire game, while C. Ford, C. Newell, G. Johnson, R. Johnson, and R. Carter played for Chehalem Center.

A total of twenty-one personal fouls was called besides a number of technical fouls.

The referee was W. Wood.

PACIFIC ACADEMY WINS FIRST GAME 23-11 AGAINST DUNDEE

Pacific Academy won their first victory of the present basket-ball season from Dundee high school at the Pacific Gym, Friday, Dec. 21, 1928. The score was, Pacific Academy 23, Dundee High School 11.

Showing more speed and better team work than before, the Academy boys took an early lead and held it throughout the entire game. Dundee's shots were for the most part, long, but the Academy's were short and were the result of fast passing and good team work.

Both teams played fast and the game was remarkably free of fouls, only four being called on Pacific and three on Dundee. The game was also rather an upset, for Dundee had beaten Dayton, who had defeated Pacific only the week before.

Pacific's scoring was divided between Moore, McKibben and Sandoz, while Dundee's scores were made by Davis, Groth and Gillmouthe.

The lineups were:

Pacific—	—Dundee
Moore..... RF	Davis
McKibben..... LF	Herring
McGuire..... C	Miller
Sandoz..... RG	Gillmouthe
Hummel..... LG	Davis
Substitutions: Pacific—Silver. Dun-	
dee—Groth, Vedder.	E. E. H.

PACIFIC GIRLS LOSE TO TIGARD GIRLS

The Pacific Girls' basket-ball team lost the game played with the Tigard high school girls, at Tigard, Friday, Jan. 4, by a score of 28-14. The game was fast and both teams played well. The Pacific girls did not have a complete team owing to the absence of several members, but those who played fought hard and played a good game. The Tigard girls had very good team work and had the advantage of being larger than the Pacific girls.

The lineup was:

Tigard—	—Pacific
M. Macdonald	L. Barnes
D. McMickal	M. Davey
R. Eckneyer	D. Nordyke
M. Litton	D. Woods
R. Ball	E. Kendall
V. Stone	B. Carlisle

PACIFIC GIRLS WIN FROM N. H. S. GIRLS

The Pacific girls' basket-ball team won from the Newberg High School girls' team, 5-4, Thursday evening, Jan. 3, on the Pacific floor.

The game was fast and most of the scoring was done in the last half. Meredith Davey made all the points for the Pacific girls.

Games with the Newberg High School girls' and boys' teams have been scheduled for Saturday night, Jan. 12.

Aroused from their morning siesta, With looks of reproach they regard him

As gravely he takes up the class work—The wearisome, moss-covered class work—

For this is the class room's primeval. Adapted from "College Humor."

TIGARD BEATS PACIFIC ACADEMY

For the third time during the present basket-ball season the Pacific Academy team was defeated. The score was, Tigard High School 32, Pacific Academy 5.

The game was played at Tigard and the Pacific boys seemed unable to find the basket; their shots would bounce once or twice, then roll off the rim. The Academy made no field shots during the entire game; all of their points coming from foul shots.

QUAKERS WIN FIRST GAME FROM NEWBERG

Town Team Snowed Under by 63 to 34 Score

Pacific played her first basketball game of the 1928-29 season against the Newberg Town team on the evening of Dec. 21. This team was one picked from the various teams that participated in the city league. For this reason it was rated quite highly. However, lack of practice was a great handicap to team play.

The game proved to be quite one sided but for all of that quite interesting. The varsity took the lead from the tip off and was never in danger.

McKern starred for the town, scoring 22 points. However, Terrell and Lutz were very much in evidence on the floor plays.

Haworth was top scorer for the College with sixteen markers, but Cole and Sweet trailed by only one point, and Harle managed to count twelve times. Harle played a very heady game both on defense and offense and surprised everyone with his speed and shooting. We can expect much from him during the coming season. Everest, back in the colors after two years absence played the best game the writer has ever seen him play.

As the final score was 63-34 we hope this game is an index to what the team is capable of, and if the student body will get back of them our men are due for a big season.

DORM VACATION ITINERARY

The itinerary of the dormitory students during the holiday season included the four most important western states, Washington, Oregon, Idaho and California. Those who returned to the good state to the northward were Helen and Elinor Whipple and Rachel Lundquist, who spent the vacation time at their homes in Vancouver and Entiat, respectively. Those who went to Idaho were Margaret Jackson and Ralph Choate, to Greenleaf, and Esther Roberts to Star. Journeying southward were Miss Dorothy Verplank, Santa Monica, and Lincoln Wirt, Berkeley. Those remaining hereabouts were Elmore Jackson, Walter Taylor, Richard Haworth, and Damon McKibben. Gwendolyn and Wendell Hanson went to their home in Oswego; Leona Freeman to Aurora; Betty Works, Genevieve Badley, Frank Cole and Noel Bowman to Portland. Lois Rice spent the vacation with relatives in Forest Grove. Arthur Winters spent one week with parents in Metolius and the other week we understand he burned the midnight oil at the Weesner home beginning to get ready to prepare to write his senior thesis. That isn't saying where he burned the midnight oil on New Years eve. Governor Terrell of the men's dorm spent his time in Newberg and running his car over the countryside. Charles Beals and Glen Rinard held a series of evangelistic services at the Rosedale Friends church. Of all the activities, this is the sum.

CAMPUS COMMENT

Irene Brown spent the Christmas holidays with her sister in Tacoma, Wash.

Errett Hummel and Dennis McGuire spent Saturday night and Sunday, Jan. 5 and 6, at the coast, and reported a fine time.

The dumbest thing a person can do when the fire alarm rings in the night is to roll over and turn off the alarm clock. That has been done.

Hulls' annual Lyceum number which was to have been presented this last week from the college platform has been indefinitely postponed. Mrs. Hull is detained in the east on account of her sister's illness.

On Monday afternoon, Jan. 7, classes were dismissed, giving students and faculty members an opportunity to attend the funeral of Lucile Clough Hayes, which was held from the Hollingsworth chapel. Mrs. Hayes was a member of the graduating class of 1924 and the news of her death came as a severe shock to a wide circle of her friends here.

In a practice game with the high school, Wednesday, Jan. 9, the College came off with the big end of a 47-11 score, but from the number of shots missed the count should have been 100-11. All the men showed lack of training during vacation but otherwise nothing to brag about.

However, such games are good practice and if everyone plays right can do a lot to better the feeling between the two schools.

An interesting book has been added to our library recently, "Anniversaries and Holidays," by Mary E. Hazeltine. It is a calendar of days and how to observe them. In it is a calendar of days, listing birthdays of notable people, holidays, saints' days, special occasions, movable feasts, and seasons, for every day of the year. In addition there are references to many books in which one may find more concerning the observance of these days. Take a few minutes to look into this book some day.
